Not only does it have tons of free video tutorials you can watch at your convenience, it also has a large collection of free sheet music for guitars you can download and print out. String names aren't noted on the templates just in case you want to write parts that use alternate tunings. You have to copy and paste the sheet music into a document if you want to print it. The below example shows the first 'box' shape of the Pentatonic Scale in Guitar TAB format. While this is easy enough to understand and use to memorize the scale shape, here's the same shape on the fretboard diagram: Seeing the scale shapes on a fretboard diagram makes it much easier to work on finger positions. 911 Tabs This site is like Google for guitar sheet music. With such an immense collection of tablature, you can find sheet music for your favorite songs in different arrangements, versions and even genres. An alternative to these printable templates is to use a program like Guitar Pro to create any resource you want. These fretboard templates show 12 frets - remember that the notes repeat at the 12th fret, so you can use these templates for below or above the 12th fret. Free guitar tabs are submitted to sites by thousands of users all over the world. Blank Guitar TAB Templates (Portrait Page) These templates give you a few horizontal Guitar TAB staves per page with plenty of space in between each staff to write any comments or notes you may have. For example, here's how you would write down the first part of the classic guitar riff from the song Smoke on the Water using these templates: Check out how the above example compares with the actual Guitar TAB in this guide on 14 Easy Guitar Riffs to Learn. This helps cover costs of maintaining this website. One of the downsides to this site is it doesn't have a print feature on the actual tab page. If the chord doesn't play a certain string, write an X above the string line (eg: the above example doesn't play the low E string). Guitar Tabs Another good website with a large collection of free sheet music for guitars, it has a no-frills, straightforward homepage. Here's the same arpeggio filled in on the fretboard diagram template: The above diagram makes it crystal clear how the arpeggio is played on your fretboard. As community-based sites, some of the free guitar sheet music sites have rating systems for users to vote for tab versions they like.Ultimate GuitarThis free guitar tabs website is easily the most popular among the guitar sites. Blank Guitar Fretboard PDFs These blank guitar fretboard diagrams are handy if you want to memorize scales or work on arpeggios. Download Free Horizontal Blank Guitar TAB PDFs here: 4 Staves Per Page 5 Staves Per Page 6 Staves Per Page Blank Guitar TAB Templates (Landscape Page) These templates print the Guitar TAB staff longways down the page, which can be handy when you want to write down long parts. Download Free Vertical Blank Guitar TAB PDFs here: 2 Staves Per Page 3 Staves Per Page Blank Guitar Chord Chart PDFs These blank chord chart templates are handy if you want to memorize chord shapes. Check out this guide on the Pentatonic Scale if you want an easy scale to memorize. Here are two useful examples: Memorize arpeggios: let's say there's a song that uses a few arpeggios you want to memorize. Guitare Tab This is somewhat similar to the previous entry, with the only difference being that the homepage also displays top community-rated tabs. You can easily figure out which fingers you should use to play each note just by glancing at the diagram. Each chord diagram design comes with three variations, so however many chord shapes you want to create, you're good to goAll chord boxes come complete with handy open string note and number notation above the chart as per the request of many of my guitar students who were fed up with the other "boring bland chord charts available online". Check out my review of Guitar Pro 8 to learn more. All three examples above show the same information, so have a think about which way you prefer reading your chords. 4 x 5 = 20 Guitar Chord Chart Diagram - PDF Download Here4 x 5 = 20 Guitar Chord Chart Diagram - PDF Download Here If a string is played open, write a big O above the string line. How to Use These Guitar TAB Templates To use these blank Guitar TAB templates, simply write down the fret numbers for any notes on the lines as needed. Check out this guide on How to Read Guitar Chord Charts for more examples. The key is to go to sites that are popular for featuring free sheet music that ranges from good to exceptionally accurate. Apart from the user submitted tabs, you can also find official tabs, sheet music for bass, ukulele and backing tracks for pro users. Don't worry if you don't know how to write in rhythm notation, you can write down any notes or comments to help you as you like. Check out this guide on How to Read Guitar TAB for a list of common symbols you might want to use. One obvious advantage of this site is you can search for the guitar tabs and then practice anywhere as long you as you have your phone, an internet connection and your guitar with you. The only catch is that you have to give them a "Like" on their social media pages to access some of the tabs. In this guide, you can download a variety of free blank Guitar TAB, chord chart, fretboard diagram, or sheet music templates. For example, here are three different ways you can use this template to write down the basic C Major open chord: You can either write the finger numbers (1 = index finger, 2 = middle finger, 3 = ring finger, 4 = pinky) underneath each string or on the fret positions so you know which fingers to use for each note. The Guitar Lesson If you're still in the process of learning how to play the guitar, then this website would be a good place to look for music. You can immediately type the song to get its tabs, scroll down the collection of top 25 sheet music or browse the most recent updates. Other Guitar Resources Here are some useful resources to help you get the most out of the above templates: CCO/Pixabay/Pixabay As you begin to learn to play the guitar, you want to find sheet music for the songs you want to play.
